

Public Open House

We need your input...Help select priorities for Kittanning's future!

Kittanning Borough is updating its comprehensive plan, which will establish a vision, priorities, and an action plan for the next 10 years. The plan will inform land use, policy and budget decisions.

Come out to hear about the project's status and provide your feedback on developing priorities. The meeting is an open house so feel free to come at anytime during the posted hours.
